Have you ever known anyone who wanted to take control of their finances, but had no idea where to begin?

**We offer REAL help,
REAL change and
REAL results!**

COACHING

RealHelp™ sessions include time with a financial coach to identify financial goals and to develop a plan with step by step instructions to accomplish them. Options are available for ongoing coaching sessions as needed.

EDUCATION

Group Classes to help students find the right path including:

- Studying the Bible
- Creating Budgets
- Understanding Credit
- Saving Money
- Dealing with Debt
- Building Net Worth
- Buying a Home
- Getting Ready to Rent.

COUNSELING

In-Depth Counseling to address more complex financial issues including spending and excessive debt. Counseling also assists in financial recovery following challenging events such as divorce, bankruptcy, foreclosure, judgments and garnishments.

FoodWORKS

How Can You Help?

Give of your time, your talent and your treasure:

- Become a volunteer coach to help families on the road to financial freedom
- Refer families who need help so that they will not walk this pathway alone
- Give to strengthen our community, one family at a time. Dollars that you give provide scholarships for families to receive the life changing help they need.

Our Clients

We serve low-to-moderate income families in Middle Tennessee who face a variety of financial challenges. The majority of our clients are referred to us by our community partners for assistance with financial and housing needs.

Our Results

During the past 12 months, we have delivered over 600 services to help families accomplish the following results:

- 238** families purchased homes with over \$29M in total home cost
- 195** families working toward the goal of homeownership through various programs
- 80** families assisted in retaining homeownership following a financial crisis
- 20** very-low income households became qualified to purchase their first home
- 20** families saved over \$9,000 and will receive a match of over \$40,000 in down payment assistance
- 56** very-low income adults and children participated in financial capability training

Dominion Financial Management, Inc. is a Christian, 501(c)(3) non-profit corporation open to all who want to see change in their personal finances and accomplish financial goals. We have served Middle Tennessee since 1999
